

UNIT 3 FORMATIVE ASSESSMENT #3: Required Cell Parts

Learning Objective #2: I can identify the 3 required parts of a cell and explain why each are required.

Success Criteria Self Assessment:

Use the descriptions below to determine your personal level of understanding for this learning objective.

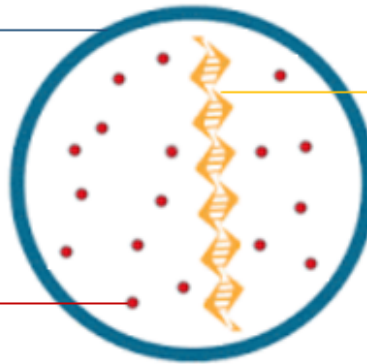

Circle the level that you are at today.

4	Confident understanding I could teach this to someone who was absent today
3	Clear understanding I can explain my thinking
2	Some understanding but also some confusion I think I know the <u>answer</u> but I can't explain why
1	I do not know how to do this work yet

1. Use the diagram below to name/label the 3 required parts of the cell.
2. Write in the functions of each of the 3 required parts of the cell.

a. Name: _____

Function: _____

b. Name: _____

Function: _____

c. Name: _____

Function: _____
