

UW DEMONSTRATION SITES PROJECT

UW DEMONSTRATION SITES PROGRAM OVERVIEW

As part of the Inclusionary Practices Technical Network (ITPN), and supported through grant funding from the Office of Superintendent of Public Instruction (OSPI), our Demonstration Sites Team partners with schools and districts across Washington state to make inclusion a reality for every learner.

Our focus includes:

- Reducing restraint and eliminating isolation (RREI)
- Improving educational inclusion and reducing exclusionary practices for students with disabilities, particularly black students and those with intellectual and developmental disabilities.

DEMONSTRATION SITES: DISTRICTS & SCHOOLS

Auburn SD

- Dick Scobee Elementary School
- Terminal Park Elementary School

Bainbridge SD

- Xalilc (Halits) Elementary School
- Woodward Middle School

Mukilteo SD

- Mukilteo Elementary School

Seattle SD

- Gatewood Elementary School
- Lowell Elementary School

Spokane SD

- Whitman Elementary School

Stanwood SD

- Stanwood High School

WHAT WE DO:

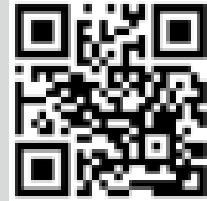

We support schools and districts by:

- Guiding systems change through use of the Principles and Practices (P&P) tool and action plan
- Providing professional development tailored to local contexts
- Hosting visits that showcase inclusion in action
- Sharing artifacts and real-world examples of effective practices
- Delivering site-based coaching and systems-change support
