

Mukilteo Elementary

2023-2024 Behavior Support Plan

<p>(Mukilteo Elementary)</p> <p>Vision/Mission</p> <p>Required - Customize</p>	<p>At Mukilteo Elementary School, we have developed a child-centered learning community committed to the success of every student. Our focus is to prepare our students for the 21st century by providing them with the tools and skills necessary to be successful and contributing citizens in the constantly changing world. We begin with the end in mind by teaching our students about the <i>Seven Habits of Highly Effective People</i> by Stephen Covey. Each day we strive to nurture and develop leadership capacity in all students. Since 2009 Mukilteo Elementary has been a Leader in Me School, in which we continue to incorporate the seven habits into everything we do by building a school culture of leadership. Students have the opportunity to learn about these leadership traits beginning in kindergarten. This program helps empower students both academically and socially to take more responsibility for their learning and build confidence in themselves.</p> <p>About ME Mission and Foundation</p>
---	---

<p>Guiding Principles for Behavior</p> <p>Recommended</p>	<p>Guiding Principle 1: Staff at Mukilteo Elementary foster a sense of belonging through a positive, safe, welcoming, and inclusive school environment.</p> <p>Guiding Principle 2: Staff at Mukilteo Elementary establish supportive and caring relationships with students. Support the social, emotional, physical, and mental health needs of all students through evidence-based strategies.</p> <p>Guiding Principle 3: Staff at Mukilteo Elementary support the social, emotional, physical, and mental health needs of all students through holistic teaching of leadership, intrapersonal, and interpersonal competencies.</p> <p>Guiding Principle 4: Staff at Mukilteo Elementary look for opportunities and ways to allow all students to showcase their leadership skills and empower students to lead their own learning, solve problems, and engage in restorative conversations.</p> <p>Guiding Principle 5: Staff at Mukilteo Elementary recognize that behavior is a form of communication and administer student discipline policies in ways that treat students with dignity and respect in order to maintain and foster relationships with students and families.</p>

Family Communication – Communication home is an important component of behavior management. Both parents and teachers can work together to provide a support system to help a student be successful in school. For Level 1 and Level 2 behaviors teachers should be contacting families to discuss concerns and classroom/school-based strategies to be or being implemented to support Safe, Kind, and Responsible behavior.
