

**Co-Teach Team:**

Partners:
1. What are the most important learning targets next week?
2. What are common barriers or misconceptions students have related to those learning targets?
3. Which students do we imagine have difficulties and why (goal: organize students by learning barrier / misconception)?
4. Student-Based Action Planning <ol style="list-style-type: none"><li>a. Based on student needs, what group or individual supports are needed for next week?</li><li>b.
